

## Resources as we approach the Season of Creation 2018

The Laudato Si Conference, "Saving Our Common Home and the Future Life on Earth" took place in Rome 5<sup>th</sup> – 6<sup>th</sup> July 2018 – the third anniversary of the publication of the Encyclical Laudato Si.

A short video which summarizes the objectives and outcomes of the International Conference can be found by clicking on the following links:

<https://youtu.be/1L2oC1h75QQ> English

<https://youtu.be/x7zqVShe3r0> Spanish

The JPIC Rome Website introduces the UISG Campaign **Sowing Hope for the Planet** – reminding us that everything is interconnected and leading us towards a deeper personal and community ecological conversion. At <https://www.jpicroma.org/> you will find the introductory webinar video, along with a Power Point and Introductory Prayer in Spanish, English, French and Italian.

There are also many other resources connected with Laudato Si on this website – in English only, however!

Linking into any of these resources is a great way to prepare a special place in your hearts, minds and lives for the wonderful Season of Creation. This begins on September 1<sup>st</sup> 2018 and concludes on the Feast of St Francis of Assisi – who saw himself at one with the whole of creation!

You will also find on the JPIC Roma website a document on water, put together by the Integrity of Creation Working Group here in Rome. It is designed to be a spiritual accompaniment to 'Water and Sanitation – A People's Guide to Sustainable Development Goal 6' – a United Nations Document.

Let us enter into the wonderful Season of Creation – as along with all the other seasons in our Church Year - Each cycle of seasons spiral us ever deeper into what God calls us to—fullness of life. Along with the other seasons, let this newly introduced season be a time of gratitude, grace, action and blessings!
